## Lenovo ThinkPad L13 Yoga Gen 2 Features

**ThinkPad L13 Yoga** device offers Eastside Catholic students with a system that can adapt to the needs based on the application or the content they are working with.

### **Style and Usage**

The ThinkPad L13 Yoga Gen2 features a redesigned chassis with much thinner bezels than its predecessors—yielding a cleaner, smarter display with lighter weight at 1.43kg / 3.17lbs.

Hold the ThinkPad L13 Yoga in your hands to use as a tablet. Fold it back on itself to watch a video or better share your screen. Use the keyboard as a stand to focus on the display, or use it as a laptop when you need to type. Plus, with the garaged rechargeable pen included, you can sketch or take notes and annotate documents without ever worrying about running out of ink.

### **Security and Privacy**

Keep your data and your privacy safe on your ThinkPad L13 Yoga 2-in-1 with our comprehensive suite of ThinkShield security features. Discrete Trusted Platform Module (dTPM) encrypts data and works in conjunction with Windows 10 security. ThinkShutter blocks the lens on both the HD and optional IR cameras. The optional fingerprint reader uses biometrics to log in with a simple touch.

### **Next Generation Intel CPU & Iris-X Graphics**

The 2<sup>nd</sup> Generation features 11<sup>th</sup> Gen Intel Core i5 processor with Intel Iris-X Graphics providing you with faster and smoother graphics, amazing AI acceleration supporting 1080 with 60 fps.

### **Built quality and Warranty Coverage**

The ThinkPad L13 Yoga 2-in-1 laptop is tested against 12 military-grade requirements and more than 200 quality checks to ensure it runs in extreme conditions. From the Arctic wilderness to desert dust storms, from zero gravity to spills and drops, you can trust this laptop to handle whatever life throws your way.

**5 years of Protection Warranty** designed for student: In addition to Lenovo 5 year standard defect warranty repairs, student unit is also equipped with 5 year **Lenovo Accidental Damage Protection**. **ADP** covers against liquid spills, drop damages, cracked screens. In addition, **3 year sealed battery replacement** warranty is also included, saving from costly repairs and replacements throughout the school years.

**Sound Microsystems** is dedicated to provide and support all student units, working closely with Eastside Catholic IT staff, allowing each student to focus without disruption during the academic fulfillment at Eastside Catholic School years.
