

EASTSIDE CATHOLIC

2023-24 Merit Awards and Tuition Assistance Grants

The EC Guarantee

Eastside Catholic School offers families the confidence of the **EC Guarantee**. Merit awards granted will remain the same for the duration of a student's **middle school or high school** enrollment as long as a student remains in good academic standing. Tuition assistance grants remain the same unless there is a significant shift in a family's financial position. An application to confirm level of need will be required each year that a student is enrolled.

Tuition Assistance Grants

Tuition assistance grants are reductions of tuition paid by a parent based on demonstrated financial need. To be considered for a tuition assistance grant, parents must complete an online application and provide required information. The application will be made available on **October 1, 2022**.

Tuition assistance grants awarded to a student may vary from year to year during a student's enrollment. An application to confirm level of need will be required each year that a student is enrolled. In most circumstances, grants will remain at a level reflecting a family's demonstrated need. Applications for tuition assistance grants for the 2023-24 school year must be completed by **January 5, 2023** for high school and **February 6, 2023** for middle school.

For more information about tuition assistance grants or the application process, please contact Tuition & Admission Administrator Marj Kerstetter at 425-295-3025 or visit eastsidecatholic.org/tuition-assistance.

Merit Awards

Students applying for admission for the 2023-24 school year will be considered for merit awards during the application process as long as a **completed** application for admission is received along with a merit award application by the respective deadlines.
