

EASTSIDE CATHOLIC

Phoenix Football Trip - 2018

General Expectations

Players must take full responsibility for all personal belongings at all times. Players will be present and on time to all transportation, team meetings, meals and planned events. All chaperones/coaches are in a position of authority and their instructions must be respected and followed. Unplanned trips from any event site or the hotel will not be permitted. Permission can be given by the administrator in charge for an individual player to go with his family for a short outing (meal) as long as it works with the overall team schedule. The use of prescription or non-prescription drugs must be physician approved.

Rules

Players should not enter the rooms assigned to people other than ECCHS football team. Players should keep chaperone/coaches informed of where they will be at all times. A curfew of 11:00 P.M. until breakfast will be enforced each night. Players must remain in their assigned rooms during curfew hours and may not violate curfew for any reason, **unless escorted by a chaperone/coach**. Any change in curfew time will be determined by the administrator in charge. No guests will be allowed in players rooms including family. Players can meet with family and guests in the hotel lobby.

Any player responsible for violating **any** of these rules will be placed on immediate game suspension and may have their rooming assignment changed as a result. If warranted a parent may be required to come to the site and bring the player home at their own expense. No drinking, smoking, vaping or use of unapproved non-prescription drugs will be allowed at any time during the trip. Players and their families are responsible for any damages to the hotel, bus or airplane as a result of inappropriate behavior. Players are not to leave the hotel for any reason unless escorted by a chaperone/coach.

These or any illegal activities will result in immediate extraction from the group, parent contact and/or possible early cancellation of the current trip. Any future trips may also be forfeited.

All school rules will be in effect throughout the trip. ECCHS disciplinary action will be enforced upon the return to school if violations occur.

I hereby understand the rules and expectations stated above. I will adhere to any consequences and financial responsibility for the actions taken. This permission will relieve Eastside Catholic High School of any liability incurred in this overnight trip and the associated activities.
