

Schedule Changes

Schedule Change Request Form

It's that time of year to submit schedule change requests for second semester! Requests are made via <u>Forms</u> and are completed in the order they are received. **The last day to request a schedule change is December 14** – no exceptions. When you're looking at your schedule, ask yourself:

- Do I need this class to graduate?
- Does the class have a prerequisite?
- Is this class interesting to me?
- Is my schedule balanced?
- Will this strengthen my transcript?

For class options, review the <u>curriculum guide</u>. If you are still unsure what to do, reach out to your school counselor via <u>Calendly</u>.

Seniors!

Now is the time to start looking for and applying for scholarships! Scholarship and internship information is posted in Naviance and updated regularly. Check your December Naviance Newsletter for additional information. Find scholarship information in "Document Resources" in Naviance. For a customizable search, you can also use CollegeBoard. Reach out to your college counselor if you have questions. You are getting so close!
